

UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLUMBIA

CAREY S. WEATHERSBY,

Plaintiff,

v.

SECRETARY OF THE INTERIOR,

Defendant.

Civil Action No. 02-141 (JMF)

ERRATA

It was brought to my attention that the Memorandum Opinion issued in this case today, February 4, 2003, contained an error. Please note that on page six (6) of the Memorandum Opinion, the first sentence should read as follows:

I intend to submit the question of whether plaintiff was discriminated against or subject to retaliation when the vacancy announcement was withdrawn to the jury.

Additionally, please note that on page six (6) of the Memorandum Opinion, the third sentence should read as follows:

If the jury answers "yes," the verdict form will direct them to then answer whether plaintiff was discriminated against or subject to retaliation when Dr. Anaya was selected for the position.
