Final Proposals are due by 12:00 PM EST Friday, June 17, 2016

Items to be included on your quote:

1. Decoder to receive digital audio and digital video feed from Annex Control Room.
2. Switch for selecting and routing said digital feed onto two display devices in Media Room. NOTE: This switch must also allow the Court to select and route to same display devices any existing analog AV feed that is currently hard-wired into Media Room.
3. Two (2) LED display screens (55") that will allow both analog and digital input. These LEDs will be mounted on wall in place of existing 42" LED screens using existing mounting hardware (Chief) if possible.
4. QSC I/O 22 (or compatible) unit to process digital audio feed (via decoder) to existing TOA 700 Series Amplifier. NOTE: Existing audio feed (analog) from Prettyman courtrooms must also be maintained, and presently is connected to TOA amplifier.
5. All labor and materials needed to integrate into existing room system.
