3. The phone number for the Case Management/Electronic Case Filing (CM/ECF) Helpline is (202) 354-3190 for civil and miscellaneous cases. Questions regarding criminal cases should be directed to (202) 354-3060.

3. Additional information regarding CM/ECF is available on the Court's website at <http://www.dcd.uscourts.gov/ECFCR>.

B. OBTAINING AND USING ELECTRONIC FILING LOGIN AND PASSWORD

1. An attorney must obtain a CM/ECF login and password from the Clerk's Office in order to file documents with the Court or to receive copies of opinions and orders of the Court. [LCvR 5.4(b)]

3. The cost of renewal is \$25.00. Failure to renew will result in the provisional removal of the attorney from the list of members in good standing. The name of the attorney will be restored to the list of members in good standing upon the filing of the required certificate and payment of the delinquent fee within five years after the due date. After five years has passed without renewal, the attorney's name will be permanently removed from the roll, without prejudice to an application for admission as a new member. [LCvR 83.9(b) and (c)]

3. Changes of address must be filed with the Clerk's Office within 14 days of the change. [LCvR 5.1(c)(1)] (Attachment C)

F. EXCEPTIONS TO ELECTRONIC FILING

1. Every unsealed document (including an administrative record or a record of state court proceedings) must be filed electronically. Every document filed under seal in a totally sealed case shall be filed in paper form and accompanied by a copy in PDF format. [LCvR 5.4(e)(1)]

Any document, exhibit, or attachment, including sealed material that (A) is not in a format that readily permits electronic filing, such as a map, chart, or DVD, or (B) is illegible when scanned into electronic format, is to be maintained in the possession of the attorney or *pro se* party responsible for the filing. Such a filing shall be made available for a party or the Court and must be identified in a Notice of Filing with the Court. [LCvR 5.4(e)(1)]
3. A document or item filed as described above shall be served, if it is necessary to serve it, by mail or hand delivery, unless the parties have otherwise agreed. [LCvR 5.4(e)(1)]

1. Every document shall be typed (double spaced) using a standard 8 ½ by 11 inch word processing format (submitted electronically to the court in PDF format) and shall contain a heading under the caption describing the nature of the document. The case number on every document shall be followed by the initials of the judge to whom the case has been assigned. Any filings made in paper must be identified with the case caption, case number, judge's initials, and title of document. Paper filings should be unfolded and without a back or front cover. All documents, regardless of volume, should be one-sided, double-spaced, and formatted on white paper, 8 ½ x 11 inches in size. Any disk that is submitted should be properly labeled with the case number and contents.
2. All subsequent filings must contain the case number, name or initials of the judge assigned to the case, and the name or initials of the magistrate judge to whom the case has been referred. (Attachment D)
3. All exhibits and attachments to documents shall also reflect the number of the case in which it is filed. [LCvR 5.1(d)]

H. FILING DOCUMENTS UNDER SEAL

1. Absent statutory authority, no cases or documents may be sealed without an order from the Court.
2. Documents that are to be filed under seal in otherwise public/non-sealed cases may be filed electronically using the ECF system. The sealed document shall also be accompanied by a motion to seal if a protective order is not already in place. [LCvR 5.1(h)(1)]
3. Documents that are to be filed under seal in completely sealed cases must be filed **in paper and with an electronic copy on disk** in the Clerk's Office during regular business hours only (Monday-Friday, 9:00 a.m.-4:00 p.m.). **Sealed documents must not be filed in the speedy drop box at the entrance of the courthouse, left with a Court Security Office, nor emailed to the court.** [LCvR 5.1(h)(2) and (3)]

The warning should also be placed on the first page of the pleading in the area of the civil action number. **Compliance with this provision is required.** Members of the press have access to all public records. Failure to advise the Clerk's Office regarding the sensitivity of a pleading will result in it being placed on the public docket. [LCvR 5.1(h)(2)]

III. FILING CIVIL ACTIONS

A. CIVIL COVER SHEET

1. The entire Civil Cover Sheet (Attachment E) must be completed for every new civil action tendered for filing.
2. The Civil Cover Sheet requires the signature of an attorney who is an active member of the bar of this Court. Please be sure the form is completed fully and correctly.

B. SUMMONS

1. A summons for each defendant named in the caption of the complaint may be issued at the time of filing. In cases with multiple defendants, the caption on each summons must be the same (i.e., JONES, et al v. SMITH, et al). There is an area on the summons which will request information regarding each individual defendant. Summons are available on the Court's website at <http://www.dcd.uscourts.gov/new-case-forms>. (Attachment F)
2. A summons must be served within 90 days or the case may be dismissed as to that particular defendant. [FRCP 4(m)]
3. The Clerk will issue as many summons as requested. However, summons will not be signed and sealed for an attorney's personal file.

4. When suing a United States Government agent or agency, the United States Attorney General and the United States Attorney for D.C. must be served with a copy of the summons and complaint. [FRCP 4(i)]
5. Service of the summons may be waived. This provision allows the plaintiff to notify the defendant of the commencement of the action and a request the defendant to waive service of a summons. [FRCP 4(d)]

C. CERTIFICATE RULE 7.1

1. The Certificate Rule 7.1, or Certificate of Disclosure of Corporate Affiliations and Financial Interests, is required in each action wherein a party is a corporation. The certificate is used to determine the need for recusal.
2. The certificate must be tendered with the party's initial filing. [LCvR 7.1]

D. TEMPORARY RESTRAINING ORDERS AND PRELIMINARY INJUNCTIONS

1. Each application for a temporary restraining order or preliminary injunction must be accompanied by points and authorities and a proposed order. In addition, these motions must be made in a document separate from the complaint.
2. Notice must be given to the opposing party(s) prior to making application for a temporary restraining order. [LCvR 65.1(a)]
3. Temporary restraining orders are assigned in the same fashion as any civil action. If the assigned judge is unavailable, and there is an urgent need for a hearing, the Motions Judge for the month will be contacted.

E. FILING FEES

1. The filing fee for all new civil actions is \$400.00, and for all new miscellaneous cases is \$47.00.
2. The filing fee for new civil cases opened electronically in ECF must be paid with a credit card or bank account debit (ACH) withdrawal using pay.gov.
3. The filing fee for *pro se* cases and any cases filed under seal may be paid in cash, or by check or money order. Checks and money orders must be made payable to the *Clerk, U.S. District Court*.
4. There is no filing fee for motions. Additional fees are mentioned throughout this supplement.

IV. ASSIGNMENT OF CASES

A. HOW CASES ARE ASSIGNED

1. Each new civil action is assigned using our automated case assignment system. For the new case clerk to complete the assignment, you must be sure to select the appropriate case category on the Civil Cover Sheet. [LCvR 40.2(b)]
2. Each Miscellaneous case shall be assigned randomly to judges of this Court. [LCvR 40.3(a)]
3. If the action you are filing is related to a pending case or a previously dismissed case, you must complete the Related Case Form. The form asks you to describe the relationship between the new action and the pending or dismissed action. Those actions that are related will be assigned to the judge assigned to the earlier case. [LCvR 40.5] (Attachment G)
4. Should the parties consent, actions may be referred for all purposes to a magistrate judge. The consent form must be signed by all parties and submitted to the Clerk's Office. [LCvR 73.1] (Attachment H)

V. FILING SUBSEQUENT CIVIL PLEADINGS

A. PROBLEMS WITH THE CM/ECF SYSTEM

1. Any documents that cannot be filed by an attorney via the CM/ECF system due to technical difficulties should be filed with the Clerk's Office either on disk or by email in PDF format as described in Section II.F.

B. CERTIFICATES OF SERVICE

1. Electronic filing of any document operates to effect service of the document on counsel or pro se parties who have obtained CM/ECF logins and passwords. Counsel or parties who have not yet obtained CM/ECF logins and passwords must serve and be served as otherwise provided in FRCP 5(b).
2. The requirement of a certificate or other proof of service is satisfied by the automatic notice of filing sent by the CM/ECF software to counsel or pro se parties who have obtained CM/ECF logins and passwords. A separate certificate or other proof of service showing that a paper copy was served on a party or counsel is required when that party or counsel does not receive electronic notification of filings. [LCvR 5.4(d)]

C. ORDERS STRIKING PLEADINGS

1. The Clerk's Office does not return pleadings that are not in compliance with the Federal Rules of Civil Procedure or the Local Rules of this Court.
2. Generally, defective pleadings may be stricken from the record, or a judge might deny a request for leave to file a document. In both cases, a notation will be made on the docket to alert counsel and parties of the outcome.

D. ORDERS FOR FILING DISCOVERY MATERIAL

1. The Clerk's Office will not take discovery materials for filing unless the judge specifically enters an order directing the Clerk to file discovery materials. [LCvR 5.2(a)]
2. For cases filed prior to May 18, 1994, with case numbers earlier than 94cv1094, the old discovery rule applies.

E. NOTICES OF APPEAL AND INTERLOCUTORY APPEAL

1. A Notice of Appeal or Interlocutory Appeal can be filed by an attorney using the CM/ECF system. Instructions on how to file a Notice of Appeal or Interlocutory Appeal, including how to pay the filing fee by credit card, can be found at the following link: <http://www.dcd.uscourts.gov/ecf-forms-instructions-and-other-information>.
2. The fee for filing such notices is \$505.00.
3. For more information, see Rule 3 of Title II of the Circuit Rules for the U.S. Court of Appeals for the D.C. Circuit.

VI. ISSUANCE OF SUBPOENAS

A. WHO MAY ISSUE SUBPOENAS

VII. REGISTRATION OF FOREIGN JUDGMENTS

A. PAPERS REQUIRED FOR CERTIFICATION OF JUDGMENT FORM (AO 451) TO REGISTER IN THIS COURT

2. A certified copy of the judgment must be attached to the Certification of Judgment form.
3. There is a fee of \$47.00 for each foreign judgment registered in this Court from another district court. These cases are filed in this Court as a new Miscellaneous case.

B. PREPARING A CERTIFICATION OF JUDGMENT FORM (AO 451) TO REGISTER AT ANOTHER COURT

2. Certification of copies will be provided by Clerk's Office staff. The certification fee is \$11.00 per document certified.

IX. OBTAINING INFORMATION FROM THE CLERK'S OFFICE

A. BY TELEPHONE

1. Because of the tremendous number of requests for case information, coupled with reduced staffing, we no longer provide specific case information to callers from Washington, D.C., or the immediate surrounding areas. We invite callers to come to the Clerk's Office to conduct a search and encourage them to use PACER as described in Section VIII.A.

B. BY LETTER OR FAX

The copy fee for microfiche documents is \$.50 per page. Archived or closed cases can be accessed via public terminals.

PART II: GENERAL COURT INFORMATION

I. GENERAL PROCEDURES AND PRACTICES

A. SCHEDULING AND CONTINUANCES OF IN-COURT MATTERS

1. When possible, become familiar with an individual judge's procedures for requesting a continuance of a scheduled matter. If the procedures of a particular judge cannot be determined, please call the courtroom deputy assigned to that judge. The courtroom deputy will be knowledgeable of the judge's practices.
2. If in doubt regarding how to move for a continuance, file a motion. Depending on a judge's practice, some courtroom deputies can continue scheduled matters without a motion and some cannot. Keep in mind that judges may handle various procedures differently.
3. Whenever a matter is scheduled by the Court, please make every attempt to adhere to the set schedule.

B. CONTACTING COURTROOM DEPUTIES

1. Each judge has assigned to him or her a courtroom deputy to handle a myriad of duties, one of which is case management.
2. Because courtroom deputies are in court regularly, it may be difficult to reach them by phone. Please leave a clear and concise voice mail message and the courtroom deputy will return the call. There are many things that courtroom deputies cannot do at the last moment, so plan ahead and contact them early if there is a problem.

C. INDIVIDUAL CALENDAR SYSTEM

1. When a case is filed, it is randomly assigned to a judge. Once the assignment has been made, the case remains with the assigned judge until there has been a resolution to the matter. In the event the assigned judge is unavailable to hear the case, or even a particular portion thereof, a request may be made for the case to be heard by the Motions Judge.
2. There are no set days scheduled for motions hearings. All hearings, conferences, and trials are scheduled by the judge to whom the case is assigned. Matters referred to a magistrate judge are scheduled by the magistrate judge.
3. An application with the Court for a continuance of a hearing, conference, or trial should not be made until notice has been given to all parties.

D. EXHIBITS

1. Exhibits offered at trial must display in a prominent place the case number and judge's initials. Exhibits should be identified prior to arrival at trial; however, exhibit stickers may be obtained from any courtroom deputy upon request.
2. Exhibit lists should be prepared prior to coming to Court.

E. CONDUCT AND PRACTICES IN THE COURTROOM

1. When arriving at Court, please be sure to check in with both the courtroom deputy and the court reporter. The courtroom deputy needs the information for the judge and the court reporter needs the information to ensure that the transcript is accurate.
2. Identify yourself at the podium. Most judges and court reporters prefer that you speak at the podium and into the microphone.
3. Be on time. If an attorney is going to be unexpectedly late for, or absent from, any scheduled appearance before any judge, the judge's courtroom deputy must be contacted. Please provide the nature and duration of the conflicting engagement. The Court may take appropriate disciplinary action when an attorney fails to conduct himself or herself in accordance with the requirements and obligations of this Court's Local Rules. [LCvR Appendix B]
4. Attorneys are expected to have a calendar with them at all times when in Court.

PACER Service Center Services Available to the Court and the Public

- External users of CM/ECF, e-filing attorneys and query-only PACER customers, must have a PACER login. The easiest way to obtain a PACER login is to register at the PACER Service Center's website at <http://pacer.uscourts.gov>. Customers need to complete an online form to obtain the login and password. Customers can gain access to PACER within the hour by registering on-line using a credit card. For those who choose not to provide a credit card, the registration process will take several days, because the login and password are sent via U.S. mail. Customers can also provide the PACER Service Center with a credit card to automatically charge their outstanding fees each quarter.
- The PACER Service Center offers online password retrieval for those customers who lose or misplace their PACER password. However, customers must provide the PACER Service Center with certain security information prior to losing a password through the "Account Information" section of the above website.
- Billing logs are available to customers via the Internet website. The PACER Service Center collects billing logs from each CM/ECF site on a monthly basis. Shortly after collection, the billing logs are loaded on the PACER Service Center website where customers can view them. The PACER Service Center website has the ability to sort the logs in a number of ways to allow the customers to easily track charges. The PACER Service Center sends quarterly invoices to all customers with outstanding charges over \$10.
- The PACER Service Center Internet site is an excellent source for information. An entire section of the site (<http://pacer.uscourts.gov/cmecf>) is focused on CM/ECF. There are links to all CM/ECF court site, CM/ECF training modules, and documents that provide general information about the CM/ECF project and its implementation status.
- The PACER Service Center generates and provides to bankruptcy courts a Duplicate SSN/TIN Report. Report output includes the duplicate SSN/TINs, the case number associated with the SSN, the debtor name, the court code for the case, the date it was filed and the chapter. The first line of data for each set of matching SSN/TINs contains the information for the court that is being processed. The subsequent lines for the matching SSN/TINs provides information for matches found in other courts. The PACER Service Center also provides a report that identifies duplicate SSNs for cases that have recently converted to a different chapter.
- The PACER Service Center maintains a J-Net site, which is available at <http://pspsc.psc.dcn/epa/>. This site provides courts with a wealth of information about the Electronic Public Access program.
- The PACER Service Center manages the U.S. Party/Case Index - a national locator system for cases filed in federal courts.
- Usage reports are available under the "PACER-Net Program" button. The reports provide information to courts on who is using the PACER systems and how much they are using it.
- A new feature on the J-Net site helps courts review their exempt usage reports. The report shows the specific transactions for an exempt user. Click the "View Exempt Transaction Details" button to use this new option.
- A court may request a toll-free line (which is funded by EPA fee revenue) for its local CM/ECF help desk. The forms is accessible under the "Telecommunications Program" button from the main EPA J-Net page, and then under the "Request for Inward Station Access (toll free)" button.
