ORDER

JANCY MAYER WHITTINGTON, CLERK
U.S. DISTRICT COURT

At the August 5, 2003 status conference, it was brought to the Court's attention that the Court's November 20, 2002 Memorandum Opinion RE: Plaintiffs' Motion to Compel Takeda to Produce Documents, Answer Interrogatories, and Produce Witnesses remains under seal. Plaintiffs have requested that the seal be lifted and that a public version of the Memorandum Opinion be filed. The Court will grant this request and in order to facilitate this, it is hereby

ORDERED that Defendant Takeda shall file with the Court, within 10 business days of this Order, a Proposed Public Version of the Court's November 20, 2002 Memorandum Opinion RE: Plaintiffs' Motion to Compel Takeda to Produce Documents, Answer Interrogatories, and Produce Witnesses noting all such portions of the Opinion, if any, that Takeda maintains should be redacted. Upon receipt of this filing, the Court will publish a public version of the Memorandum Opinion on the Court's Website.

SO ORDERED.
