

UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLUMBIA

IN THE MATTER OF THE SEIZURE OF
THE M/T SKIPPER WITH INTERNATIONAL
MARITIME ORGANIZATION NUMBER
9304667

No. 25-sz-50 (ZMF)

ORDER

On November 26, 2025, the Court authorized the government's application to seize the MT Skipper in international waters pursuant to established legal authority.

On December 10, 2025, U.S. authorities executed the seizure warrant in international waters.¹

"Transparency requires courts to timely unseal—with redactions if needed—every judicial decision, including [seizure] warrants." *In re Search of One Device & Two Individuals under Rule 41*, 784 F. Supp. 3d 234, 255 (D.D.C. 2025). Given that the subject of the warrant is no longer secret, the government now moves to partially unseal its seizure warrant application, search warrant, and its affidavit in support. Because the government has separately provided reasons for sealing to still apply as to the details of its investigation, the Court permitted the government to submit redacted copies of its documents.

¹ It is commendable that the U.S. Attorney's office sought court approval before taking action in international waters. This is what the rule of law requires.

It is hereby ORDERED that the instant case is partially unsealed. The attached documents and this order shall be published on the docket and the court's website. The docket and all other documents therein are to remain under seal temporarily. The government shall file a motion to unseal the full docket as soon as practicable.

Date: December 12, 2025
