SC No. 20-sc-3355

MOTION TO MODIFY ORDER

The United States of America, moving by and through its undersigned counsel, respectfully submits this revised motion to modify the January 5, 2021 Order to remove the nondisclosure provision. The government no longer believes the nondisclosure provision in the Order is necessary.¹ As such, the government seeks to modify the Order to release [REDACTED] the PROVIDER, from the nondisclosure requirement. The government asks that the Court sign the proposed Order, which redacts the name of the provider and the statutes of investigation from the title of this matter.

This matter is being filed under seal at this time because the entire matter remains under seal. The government will be filing a separate motion and memorandum as it relates to the need for continued sealing of this matter. Based on the foregoing, the government moves the Court to enter the proposed Order.

¹ The government has since provided notice directly to the users of the underlying accounts pursuant to 28 C.F.R. §50.10 that their electronic records were sought, but not obtained.

Respectfully submitted,

CHANNING D. PHILLIPS
